Anam is an intimate Cocktail Bar which is perfectly suited for any Christmas experience. We can cater for 15 – 125 guests & our experienced event management team can help with the organisation of every element of your party including entertainment, catering and decoration. We are equipped with a professional DJ setup, excellent soundsystem and a 4am licence.

Anam Bar specialises in cocktails, with an exclusive cocktail menu especially designed by our famed resident mixologists - although what kind of place would we be if we only served cocktails? We also offer the finest premium-brand spirits, beers and lagers, plus an extensive list of sumptuous wines and champagne. Our Kitchen staff can also prepare a wide-range of food, from a simple buffet to luxurious canapés for any number of guests.
